***Re: SEC Docket No. 19-02, Application of Chinook Solar, LLC for a Certificate of Site and Facility for the Construction and Operation of a 30MW Solar Generating Facility in Fitzwilliam, New Hampshire – Request to Waive Certain Application Filing Requirements – Agreement with Town of Fitzwilliam***

Dear Ms. Monroe:

On August 30, 2019, Chinook Solar, LLC filed a Request to Waive Certain Application Filing Requirements (“the Request”) with the New Hampshire Site Evaluation Committee (“the Committee”) in the above-captioned docket. As we noted in the Request’s cover letter to the Committee, the Town of Fitzwilliam was not able to respond to the Request in time for the filing. In the Request Chinook Solar, LLC indicated that it intended to coordinate with the Town and to provide them with copies of the Application it intended to file with the Committee in a manner that would meet the Town’s preference. This correspondence is to inform the Committee that Chinook Solar, LLC has reached an agreement with the Town of Fitzwilliam as to the number of copies of the Application it will provide to the Town and the manner in which it will provide those copies. The Town of Fitzwilliam therefore concurs with the Request.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance.

Sincerely,

Douglas L. Patch
