Underneath my tough exterior there is a fine heart of gold. I was brought into the humane society as a stray and this whole event has been truly overwhelming to me. I find comfort in a nice warm enclosed bed and high places to watch the world around me. I am in different to attention and have accepted ear scratches and rose toops but am reluctant to being picked up. I'm slow to warm up to new spaces and prefer a calm peaceful environment where I can be myself. I know I will be a great friend to someone who is willing to give me time to come into my own.

You can visit him or our many great pals for adoption at our Adoption Center located at 101 West Swanzey Road just outside of Keene on Route 10 South. 2 yr. old Neutered Male Grey Tiger

Underneath my tough exterior there is a true heart of gold. I was brought into the humane society as a stray and this whole event has been truly overwhelming to me. I find comfort in a nice warm enclosed bed and high places to watch the world around me. I am indifferent to attention and have accepted ear scratches and nose boops but am reluctant to being picked up. I'm slow to warm up to new spaces and prefer a calm peaceful environment where I can be myself. I know I will be a great friend to someone who is willing to give me time to come into my own.

You can visit him or our many great pets for adoption at our Adoption Center located at 101 West Swanzey Road just outside of Keene on Route 10-South. Business hours are Wednesday through Friday from Noon until 6PM and Saturday through Sunday from 11AM to 4PM. There are many homeless animals at MHS that need loving forever homes. For more information please contact us online or call us at 603-352-9011 ext. 101.

**Application of Chinoook Solar, LLC for a Certificate of Site and Facility**

On October 18, 2019, Chinoook Solar, LLC (Chinoook) filed an Application for a Certificate of Site and Facility (Application) seeking to site, construct and operate a 30-megawatt (MW) solar energy generation facility and associated electrical infrastructure (Project) in Fitzwilliam in Cheshire County.

On November 8, 2019, a Subcommittee was appointed in this docket. On December 17, 2019, the Subcommittee issued an order finding that the Application contained sufficient information to carry out the purposes of RSA 162-H.

RSA 162-H:10, I-a, requires that within 45 days after acceptance of an application for a certificate, Chinoook must hold at least one public information session in each county where the proposed facility will be located. The purpose of the public information session is to provide the public with information on the proposed Project, to provide an opportunity for comments and questions from the public, and to explain the process the Subcommittee will follow in reviewing the Application. The presiding officer of the Subcommittee has designated Michael Iacopino, Counsel to the Committee, and Pamela Monroe, Administrator, as the presiding officers for the public information session.

The Cheshire County public information session will be held on January 15, 2020, at 6:00 PM at the Fitzwilliam Town Hall, 13 Templeton Turnpike, Fitzwilliam, New Hampshire.

The Application and all other filings in this docket can be viewed on the Committee's website at [www.nhsec.nh.gov](http://www.nhsec.nh.gov) or can be obtained by contacting Pamela Monroe, Administrator, Site Evaluation Committee, [Pamela.monroe@sec.nh.gov](mailto:Pamela.monroe@sec.nh.gov) or (603) 271-2435.
